27 October 1970

MEMORANDUM FOR: Director, Central Reference Service

SUBJECT : PDP-11 Acquisition Request

REFERENCE : Memo dated 7 August 1970 to ExDir-Compt.
via DD/I and C/IPB from D/CRS, subject:
Upgrading of CRS Computer Equipment

1. This will confirm my telephone conversation yesterday in which I said that the Executive Director-Comptroller had given verbal approval to procurement of the PDP-11 computer for conversion of signals for automatic dissemination.

2. Action on the request for acquisition of a third 2314 and the 370/155 replacement for the 360/50 has been tabled, pending discussion of the implications of the ASPIN Report. Verbal approval to go ahead on CRS space renovation planning was previously given.
